THOMAS G. BRUTON
CLERK, U.S. DISTRICT COURT

Ammended Complaint

→ Defendants Lists

- I need the Judge Alonso to please subpoena the necessary evidence, facts of the case from VI, to list the proper Defendants,

For example, Stephen Bryan, Deans Office, Chancellor, Vice Chancellors have this evidence that ~~it~~ lists the Defendants, and the OSCR (Office of Student Conflict Resolution), Justin Brown etc. also have these records.

I am not a lawyer so the Judge Alonso needs to approve this subpoena.

Defendants have damaged me so I cannot afford to hire a lawyer anymore to

subpoena the facts of case, evidence vital to complaints and Court documents, Defendants lists etc.

~~Begin~~

The Service Lists are attached
and ~~the~~ these are the
Defendants below:

- Alphabet Inc. / DeepMind
- Google Inc.
- University of Illinois

(the individual people at
Google, etc. are not
Defendants \Rightarrow it is the
Offices themselves, the
System in place to handle
reports of rape, sexual
harassment, Scientific Fraud,
Data Fabrication etc.

that I am trying to list
as Defendants to solve the
System)
